Appendix

As an Independent School the school enjoys freedom to determine its own school terms and holidays. Typically UK schools will have up to 38 weeks per academic year and the number of lessons will be considerably higher than in primary and secondary schools in Norway.

The Head Teacher has the authority to determine the School Terms and Holidays following consultations with Staff and Parents' Representatives.

According to Norwegian school regulations the required minimum number of school weeks is 38 for maintained schools. For private schools there is no set number of weeks. However all schools are required to provide the same minimum annual number of lessons. Hence there is a tradition to have 38 weeks also for private schools. In addition there will be allocated Inset days for Staff. These days will not influence the School Terms and Holidays for pupils as laid out above.

Traditionally The Norwegian School in London has followed these guidelines for School Terms and Holidays:

- A total of 38 School Weeks
- First Day of School: mid or late August according to Norwegian tradition
- Autumn Break: the last week of October
- Christmas Holidays: two weeks (Our last school day in Dec is traditionally earlier than most places in Norway)
- Winter Break: one week mid or late February
- Easter Holidays: two weeks including the week ending with Good Friday and the week commencing with Easter Monday
- Because of Easter this year the Open Day is on the last Saturday in April: Compulsory School Day
- 17 May: Compulsory School Day
- Last Day of School: around Mid-Summer according to Norwegian tradition
- National Bank Holidays
- Norwegian Holidays Labour Day 1 May, 17 May, Ascension Day and White Monday have *not* been observed

The following information and documents have been taken into consideration when preparing this draft for School Terms and Holidays for the academic year 2026-2027:

- Traditions of The Norwegian School in London as laid out above
- National Bank Holidays
- School Terms and Holidays 2026-2027 for Merton Council
- School Terms and Holidays for Norway 2026-2027
- Norwegian School Regulations
- Employee Handbook

The required minimum number of school lessons according to Norwegian school regulations has been observed in this plan for 2026-2027.

- First Day of School, Christmas Holidays and Easter Holidays correspond with the School Traditions.
- Autumn Break and Winter Break correspond with the School Traditions and School Terms and Holidays 2026-2027 for Merton Council.
- Last Day of School corresponds with the School Traditions and more or less with School Terms and Holidays for Norway.
- All National Bank Holidays have been observed.

Lise Meling Karlsen,
Head Teacher
